

Positive Organisations Webinar Series

Event Instructions

Dear Student / Member,

We're looking forward to welcoming you at the upcoming *Positive Organisations Webinar Series* starting on Thursday 13th April, 2023, at 7pm-9pm (UK).

Below are the Zoom links you will need to access the live webinars. Please keep these for personal use as only registered participants will be given access.

All webinars will be recorded for later viewing through the online Positive Psychology Academy. If you are not yet registered as an Academy student, you will be given access so that you may view these recordings.

The recordings will appear under your Academy profile courses as a course titled "Positive Organisations Webinar Series". The recordings will be uploaded within one week of each webinar, along with reflective practice guidance.

This is a CPD event accredited by the Positive Psychology Guild. To automatically receive your CPD certificate, you will need to attend the full series (i.e. 3 webinars) live. If you miss one or more live webinars, you will need to complete and submit your reflective practice notes. The course content on the Academy will provide further details on how to do this.

Each live webinar will begin with an introduction by the facilitator, followed by the panel expert presentations. There will be a short break in between each presentation. After the last presentation, the facilitator will upgrade webinar participants to panelists. This means you will be able to switch your video camera on and unmute yourself to participate in the Q&A.

The Q&A is a friendly environment where group reflections and questions are encouraged, so that we may all share and learn from each other, and build a small community of learning. We encourage you to stay, as often, this is where the deeper learning and connection takes place.

We're looking forward to seeing you at the event. If you have any questions, please contact the facilitator, Claire Higgins, at: claire@ppnetwork.org

Kind Regards,

Positive Psychology Centre
